

THE CRUISER

Printer / Dryer Combo

Features

- Micro, screen angle, off contact adjustments
- Perfect roller Bearing Registration
- Adjustable screen tension
- Heat Control
- Speed Control
- Adjustable Dryer Height

Options

- Upgrade Dryer Panel - 18 x 20 240V
- Upgraded Printer - 6 color press

- ◆ Ranar presents The Cruiser portable screen printing & drying system. Perfect for the home or garage shop or for on-site special events such as swap meets, conventions or car shows.
- ◆ Combines the Ranar Vista Series Printers with the popular 5' long, 120 volt, DX-200 Scamp Dryer under the press for an economical, SPACE SAVING printer / dryer combo **ON WHEELS!**
- ◆ Features sturdy steel tubular construction for the stand, smooth roller heavy duty bearing rotation, perfect roller bearing registration along with all the standard features of the Vista Series including micro and off-contact adjustments.

- ◆ You may upgrade the Cruiser to a six color press or upgrade the dryer's heating panel to a 18 x 20, 240v, 3200 watt dryer for greater production capacity! *
- ◆ The Cruiser Basic Package includes a C-4400 press and dryer combo CBX exposure unit with Job cart, D-162 Flash dryer, and supplies, an instructional book & DVD set, and lifetime technical support.
- ◆ The Basic Package will enable you to: expose images, make screens, print, flash and cure up to 110 plastisol prints per hour with your Ranar *Cruiser*.

*Dryer upgrade only available at time of purchase.
